700 Million Internet User looking for expansion, best consultant, instant quotation, employment, small business, reliable solution, low budget services, trustful platform, Peoples want viral their video/picture

So BirdsMind Social Media provide services to service sector, business sector, self-employed professional, online seller & online buyers

Solution:

700 Million Peoples Looking For expansion
What is expansion?

Today Social Media	Vs	BirdsMind Social Media
1) Today social media allow only broadcast entertainment content Business, professional contact where growth, promotion, help matter involve they never allow for maximum reach because this is key factor of overall revenue. This is not helpful 2) Today social media still not provide any serious		1) <u>BirdsMind</u> social media allow broadcast video, picture, personal, professional, business content, you can easily viral your content We always help you for your growth, maximum reach to peoples inside & outside friends group 2) BirdsMind social media always provide

<p>services</p> <p>3) Today social media only generate revenue by digital advertisement</p> <p>4) Today social media create for you virtual boundary, if you try to communicate with maximum peoples for your personal reason or help then today social media consider you violent their community If you try to communicant maximum peoples for business purpose then they burn your money by digital advertisement</p> <p>5) This kind services can not provide today social media, they make you foolish for burn your money by digital advertisement</p>	<p>serious services, instant response feature</p> <p>3) BirdsMind social media generate revenue by Services, then we generate revenue by Outbound Call Center Operation, this is consultancy service for understand your actual problem then we generate revenue by digital advertisement. This is true helpful</p> <p>4) BirdsMind social media never create for you any kind virtual boundary We help peoples for their quick response or result We help you for your personal, professional, business rocket speed activity We never burn your money by digital advertisement Our services low budget, long time, discount price with extra facility</p> <p>5) We have Email plus system notification blast option for particular group so if you are a manufacture, Wholesaler, employer, service provider you can received instant Quotation</p>
